YOUR SUPPORT

MAKES A DIFFERENCE

The Karen P. Nakon Breast Cancer Foundation has now awarded more than \$1.1 million in direct aid to families struggling with the financial impacts of a breast cancer diagnosis. Nearly all of the 1,000 families we have assisted reside in Northeast Ohio and most were at serious risk of losing their homes, stopping their treatments or having a vital utility service disconnected.

Because of friends like you, the Nakon Foundation was able to carry them through these hardships. As much as we wish our work were done, the service we provide is needed more than ever, as charities like ours have been disappearing or cutting back on aid. We have been fortunate to have maintained our funding levels but the applicants coming to us for help have increased 150% over the last several years and continue to increase.

Thank you for
making a difference.

KAREN'S STORY

Karen was a gift to all who knew her. She carried herself as a beacon of hope, and inspired anyone who came in contact with her. She was a champion of the underdog, generous to a fault, and among the most caring people anyone would ever meet. Until her death, many who knew her had no idea she was even ill. She desired to be defined by the content of her person, rather than the disease that inhabited her.

Karen died on February 22, 2003.

ABOUT THE FOUNDATION

The Karen P. Nakon Breast Cancer Foundation was established by Karen's husband Matt, family and friends, to honor her graceful and courageous five-year battle against breast cancer. Because Karen was concerned about the lack of funding for research and some families' inability to endure the high cost of treatment, it was her wish, and therefore the mission, that a foundation be created to help families in financial crisis due to a breast cancer diagnosis.

The Foundation is honored to have awarded more than \$1.1 million in assistance touching the lives of over 1,000 men, women and their families all over Northeast Ohio.
